FOOD AI

CONNECTED LIVING

Family Board

Keep the family entertained, by easily sharing news, messages, special moments and now photos and videos on the Family Board. Simply use the home screen to share photos, video clips, post stickers, draw pictures, type or hand-write notes, share schedules and website links or even add a music player.

Food AI

See what's in the fridge anytime, anywhere on your smartphone or by using the home screen. The View Inside internal cameras* show what food you have, so you can check when you're shopping. You can tag food expiration dates, create shopping lists, food memos and reminders.

Beverage Showcase

Say goodbye to boring with the plumbed in Beverage Centre™. The BPA free* Autofill Pitcher gives your purified water a sweet twist, allowing you to infuse fruits and herbs. The Water Dispenser takes away the hassle of grabbing an ice-cold beverage, complete with an easy-to-wash stainless nozzle.

Connected Living

Turn your home into a smarter home with SmartThings.* Using your voice or a touch on the screen, you can instantly control smart devices. You can turn them on/off, adjust settings, co-ordinate activities and limit power usage. You can also monitor up to 6 cameras around the house on its widget.**

*Third party apps subject to change without notice and may require subscription. *Camera lens specification by model: has 3 wide-angle lenses. *Available on Android and iOS devices. A Wi-Fi connection and a Samsung account are required. **Features and contents may vary by country.
* 20 year warranty is limited to the compressor only.
